

Join us in celebrating March for Meals 2021!

We're marking the annual campaign by recognizing the vital role Meals on Wheels Endless Mountains volunteers play in the fight to end senior hunger every day.

Dave & Ann Prugh

Bradford/Sullivan Counties Active Living Center Director, Robin VanValkenburg, noted the commitment of her volunteer team saying, "They are there in the rainy spring, the hottest days in the summer, and the coldest days in the winter to help with the delivery of these needed meals. So a big "thank you" to all of those volunteers who make this service possible!"

Susquehanna County Active Living Center Director, Pamela DeRose, wrote of her volunteer team:

"Meals on Wheels Endless Mountains would not be able to run without the

communities' support, namely the local volunteer drivers. It takes not only knowledge of the rural areas, but also the heart and commitment to continually donate one's time to delivering meals to our largely homebound senior residents. While we would like to thank all our volunteers who have helped us persevere, we would like to offer special recognition to Wendy Shaffer, who has helped cover delivery routes for three different centers these past few months, and new drivers Ray

Dennis, Patricia Litz, Brian & Kathy Wilcox, Roxie & Keith Oberg who were not daunted by the extra precautions

delivery during the COVID-19 pandemic; we would also like to recognize posthumously the longtime commitment of two of our drivers who have passed this year: Alice Carr, recipient of the 2019 PDA Volunteer Spotlight Award, a resident in the Rush/Lawton area, who showed a life-time commitment to her community, not just through the Meals on Wheels program, but also through her support of the local Elk Lake School District and community groups; and Bob Vavra, who was steadfast in his commitment to his delivery recipients for every day of his 5 years as a volunteer. They are greatly missed by all."

Tioga County Volunteer Coordinator Carolyn Pendrell said of two of her many dedicated volunteers: "I am so thankful to have Patty & Lacey. They drive in from Wellsboro, and then deliver food for two different routes in the County. They always have a smiles on their faces and a word of cheer for our consumers and anyone else that they come in contact with. Patty and Lacey are two exceptional people!"

We're on the lookout for more awesome volunteers to join our team. Call us at 1-800-982-4346 and join us in the March for Meals!
